

Pre-Authorized Withdrawal System (P.A.W.S.)

Patience was an orphaned kitten who arrived at the shelter one day this Spring - he was just a few hours old. As luck would have it the shelter had a mom with kittens in foster care and mom adopted the tiny kitten immediately! Patience grew strong and was later adopted once more into a loving, forever home.

Donations through our P.A.W.S program allow the Society to plan ahead and react quickly **and** with confidence to situations like this. Knowing we have a monthly source of funds we can count on helps us in Saving Lives and Changing Lives.
